Petaluma, Ca 94952

Description of Services:

Conventional mortgage broker with 29 continuous years of experience helping homeowners and investors to acquire and cash-flow, residential properties throughout California.

My goal, is that when someone passionate about owning real estate walks through my door, I will have a solution to help them acquire and afford to retain the property they want to buy. After thousands of successful transactions, I have the skill set to assist you in achieving your goals.
